## Additional Modules

### PCNFormat (EU)

Compliance with regulation (EU) 2017/542, you can notify any EU country:

- Automatic or manual creation and assignment of UFI codes to products
- Automatic creation of PCN Format dossiers in a few minutes
- Automatic submission of dossiers to ECHA
- Inquiries and historical shipments

### GHS/SGA Adaptations (Countries)

Adaptations of the platform according to the current local regulations:

- GHS EU Module + Languages
- GHS USA Module + English
- GHS Module Argentina + Spanish
- GHS Mexico Module + Spanish
- GHS Colombia Module + Spanish
- GHS Chile + Spanish Module
- GHS Module Brazil + Portuguese
- GHS China + Mandarin Module
- GHS Module South Korea + Korean

### SDS Diffusion

Automatic management of SDS

- Automatically sent via email the SDS corresponding to the product requested by the customer
- Given the updates and changes in the SDS, the platform is responsible for sending the updates to customers who have consumed the affected product during the last 12 months
- Shipping history for your reference

*Requires integration with client's ERP*
